Subject: Submission of Survey documents for ISP (SDNF)

Dear Sir,

With reference to your above mentioned query we are submitting the following documents for your kind Perusal

1. Filled up Survey format
2. Detailed drawing of network infrastructure (Network Topology) of SDNF
3. MRTG Graph

This is for your kind information that the ISP service of SDNF is only used to support Bangladesh Internet Exchange (BDIX). Service is not provided to any clients/ customers. It runs with very nominal bandwidth taken from one of the ISPs and is used only for office and some testing purposes of BDIX.

In case of any further query in this regard, please feel free to contact us.
Thanking you in anticipation.

Sincerely Yours,

Md Alamgir Kabir
